

# 2009/2010 Graduate Research Assistant Expenses

for use in grant proposals

## 1. Semester Charges

	Tuition (minimum)*		Student Fees†	
<b>Fall, Spring</b>				
% Appointment	25%	50%	25%	50%
In-state	\$3,413	\$2,280	\$461	\$258
Out-of-state (including international)	\$3,413	\$2,280	\$611	\$360
<b>Summer</b> (3 hrs required for all students)				
In-state		\$1,140		\$129
Out-of-state		\$1,140		\$180

\*GRAs with 25% appointments must take at least 9 hours in fall & spring. Those with 50% appointments must take 6 hours but may take more. Therefore, it is recommended to factor in tuition for 9 hours, even for those with 50% appointments. An increase of 10% should be factored in each year for tuition.

†Normally paid by the student except in special circumstances.

## 2. Annual Charges

Health Insurance‡	Stipend (minimum)	
\$1,119	25%	50%
	\$10,000	\$20,000

‡Health insurance covers only the student, who may opt to pay additional premiums for a spouse and/or children.

## 3. Recommended 1st-Year Budget for To-be-named Student

\$20,000	25%
\$30,000	50%

Includes tuition for 3 semesters, health insurance, & stipend
