SECOND ANNUAL
 COMPARATIVE &
 EXPERIMENTAL MEDICINE
 RESEARCH SYMPOSIUM

"It is a nice place to interact with other students and to know about their research interests."

"Even better than I expected." – 2007 Presenters

SUBMIT AN ABSTRACT

| 01

Graduate students, post-docs, residents, and interns focusing on human or animal diseases are encouraged to make scientific contributions by submitting an abstract, according to the instructions below. Participants must give an oral presentation no more than 10 minutes in length (posters are encouraged, but optional).

1. The abstract body should not exceed 250 words and should state the purpose of the study, a brief description of methods, summary of results, and a statement of conclusions reached.
2. The title of the abstract should be brief and clearly identify the nature of the study.
3. The name of the presenting author must appear first in the list of authors.
4. All abbreviations must be clearly defined.

SUBMISSION DEADLINES

TITLE-5 PM, MAR 7

ABSTRACT-5 PM, MAR 28

Submit to: Misty Bailey
mrbailey@mail.ag.utk.edu

SCHEDULE

| 02

This year's symposium will be an all-day event, with multiple presentation sessions and a keynote speaker. The exact schedule will be determined after abstracts are submitted.

Future announcements will provide more detail.

Over 60 people attended the first symposium in 2007 to see presentations by 15 students. The students finished the day with over \$6,000 in travel awards.

This year's symposium is expanded to include presentations by post-docs, interns, residents, and graduate students in related departments.

AWARDS

| 03

Presentations will be judged on strengths in analysis, organization, and delivery.

Students judged to have the best presentations will receive travel awards.
