

June 15 & 16
Comparative & Experimental Medicine
Research Symposium

2 0 0 9

Call for Abstracts

Graduate students, post-docs, residents, interns, and research assistant professors with research interests in the broad area of human or animal health are encouraged to make scientific contributions by submitting an abstract, according to the instructions below. Participants must give an oral presentation no more than 10 minutes in length (posters are encouraged, but optional). **Travel awards** will be based on strengths in analysis, organization, and delivery.

Submission Deadlines:

Title: 5 pm, Mar. 20

Abstract: 5 pm, Apr. 3

Send Word doc to:

Misty Bailey

mrbailey@utk.edu

- ☑ Title: Brief & clearly identify the nature of the study.
- ☑ Authors: Presenting author must appear first in the list of authors.
- ☑ Body: Not to exceed 250 words. Should state the purpose of the study, a brief description of methods, summary of results, and a statement of conclusions reached. All abbreviations must be clearly defined.

Located on the University of Tennessee Agricultural Campus
Sponsored by the College of Veterinary Medicine, Center for Public Health,
AgResearch, UTK Office of Research, and Graduate School of Medicine
